## INSECT CONTROL MEETING APRIL 19.

## UNIT BEGINS SERIES OF PRACTICES

### Airport To Be Scene of Operations

Gun crews of Battery C, 649th Anti-aircraft Artillery Battalion will again engage in tracking and aiming practice at the Cameron airport on Sunday afternoon, April 15th, Captain Rudolph Michalka has announced.

The planes used as "targets" for the simulated firing practice will be flown through the courtesy of the Harry Rogers Air Service, which recently began operations at the field.

Although no firing will be done, of course, the battery's 40 mm guns and 50 cal. machine-guns otherwise will be set up and operated as if under actual combat conditions.

This will be the second such practice for the Guardsmen. On last Sunday afternoon anti-aircraft guns and crews were taken to the airport where pilots of the Rogers Air Service made a number of flights for them. Spectators and Guardsmen were reported to have received several thrills from the spectacular low flying of planes and made passes from unexpected angles at the guns.

Capt. Michalka stated that this cooperation enabled Battery C's gun crews to get some valuable practice in tracking and aiming at aerial targets, and he hopes for even better results on Sunday.

The public, he said, will be welcome to come out to the airport and observe the way an anti-aircraft battery is operated in combat as well as to watch some good flying by the pilots of the Rogers Air Service.

### Eddie Lankford High Point Man

Yoe High School came out with flying colors in the District 28-A Meet held in Cameron, Friday and Saturday, April 6-7, capturing the lead in both Literary and Track Events.

## FARM ROADS NEAR COMPLETION

### Lt. Gen. Ridgway To Be In Command

WASHINGTON, April 11— Wednesday— President Truman relieved General Douglas MacArthur of all of his Far Eastern commands because of his inability to give "his wholehearted support" to the policies of the United States Government.

The President designated Lieut. Gen. Matthew B. Ridgway, now Commander of the Eighth Army in Korea, to succeed MacArthur.

Announcement of the President's decision to fire MacArthur followed days of international controversy over the General's endorsement of policies particularly relating to the use of Chinese Nationalist troops, in conflict with the announced policies of the President.

Mr. Truman discharged MacArthur from his commands with this statement:

"With deep regret I have concluded that General of the Army Douglas MacArthur is unable to give his wholehearted support to the policies of the United States Government and of the United Nations in matters pertaining to his official duties."

The President added that in view of his responsibilities under the United States Constitution and the United Nations, "I have decided that I must make a change in command in the Far East."

"I have, therefore, relieved General MacArthur of his commands and have designated Lieut.-Gen. Matthew B. Ridgway as his successor," the President said.

Lieut.-Gen. James A. Van Fleet was named to succeed Ridgway in command of the Eighth Army in Korea.

In a statement, Mr. Truman asserted that "military commanders must be governed 'by policies and directives of the Government and 'in time of crisis, this consideration is particularly compelling."

### City May Get New Process

Wells Smith and Dr. George Bowman attended the monthly meeting of the Central Texas Water Association in Waco, Thursday night, April 5.

Mr. Smith has recently been elected program chairman of this organization. The program was very interesting and was under the direction of Dr. Edward Taylor, State Director of Dental Health.

Dr. Taylor explained the great advantage of fluoridization of public water supplies, which is the addition of Sodium Fluoride in a very small amount to the city water supply.

Fluoridization of water supplies is a means of controlling the number of cavities found in children's teeth. It has been proven over many years of research to decrease decay in children's teeth about 60 per cent.

The equipment for the addition of sodium fluoride to a water supply is not expensive and it is hoped that Cameron will soon make this progressive movement. It was understood that it will be brought before the City Council within the near future for consideration.

The installation of this equipment would be very beneficial to the city and the preservation of teeth among the children in reducing decay percentage to a great extent.

Temple is the nearest neighboring city now using this method and equipment in their water supply.

### COMMUNITY PARTY

Everyone is invited to attend a Community party to be held at Ben Arnold School Thursday, April 19. Refreshments will be served. There will be a fish pond for the children.

### Plan To Eradicate Rabies Outlined

A county-wide vaccination program has been outlined and will get underway on April 16, according to Hinton Pruett, Superintendent of the County Public School System.

A voluntary program began several days ago and many have cooperated in this effort to rid the county of rabies.

This program is also being carried out in Burleson our neighboring county which has had an outbreak of rabies also in recent weeks. These emergency health measures are being taken to prevent the continued spread of the disease and through the vaccination program the threat to human life may be eliminated or controlled to a great extent.

The Commissioners Court, Milam County Farm Bureau, the Health Unit, and the Milam County Medical Association are sponsoring the program and are asking the cooperation of the entire citizenry of the county to see to it that their dogs and pets are vaccinated. A nominal fee will be set for the vaccination which will be very reasonable.

Dr. Kenneth Young of the State Health Department was recently in Cameron and met with the Commissioners Court for the purpose of explaining the spread of rabies and helped outline the program that is to be enacted.

Since the bounty on fox and wolves has been raised, there is a possibility that a large number of these rabid animals will be killed out in the near future.

The following is a schedule of where the vaccinations will take place, the time and the date:

Cameron, April 16	5:00
Yarrellton April 17	5:00 6:00 pm
Buckholts April 17	6:15 8:30 pm
Ben Arnold April 18	5:00 6:00 pm
Burlington April 18	6:15 8:00 pm
Milano April 19	5:00 6:15 pm
Gause April 19	6:30 8:30 pm
Thorndale April 20	5:00 7:00 pm
Salty April 20	7:15 9:00 pm
San Gabriel April 23	5:00 6:30 pm
Sharp April 23	6:45 9:00 pm
Jones Prairie April 24	6:00 7:00 pm
Maysfield April 24	5:00 6:00 pm
Branchville Apr. 24	6:15 9:00 pm
Rockdale Apr. 25	5:00

All work will be done at the school buildings, except in Rockdale and Cameron.

Veterinarians will be on hand to vaccinate pets at the many locations over the county that have been set up as suitable places for vaccinations. Cooperation is greatly needed in order to make this program a success. A quarantine will be placed on the county if the State Health Department sees fit to do so if the program is not complied with as rabies must be put under control.

The place for vaccination in Cameron has been designated as the Court House.

### 3,807 Men To Be Called Up In May

Ten men from Milam County will leave for induction into the armed forces on April 17, according to August Kunz, chairman of the Milam County Draft Board.

This is call No. 11 under the 1948 Draft Act and 8th call since the beginning of the Korean conflict. The men will leave by Central Texas Bus Lines at 1:30 P. M. from the Milam Hotel and not be officially inducted into the Army until April 18th at Love Field, Dallas, where they will report for further assignments and processing.

The following men will leave; R. L. Calton, James Bruce McQuinn, Bevell Jackson Brumett, Catula Travenio, Jr., Henry Owen Davison, Ter-

### Workers Busy In Current Drive

The Red Cross Drive continues to progress as a number of chairmen and workers in the city and rural communities have turned in reports, according to Mrs. Agnes Lowe.

Mrs. L. Van Perkins, chairman and assistants, Mrs. Neal Dodson, Mrs. Dorcas Smith and Mrs. Jack Dubois have collected \$66.00 in the southeast section of the city. Mrs. Adolph Windfield, \$50.63, Mrs. C. J. Sutter \$33.00 and Mrs. Billy Balhorn \$60.00. Other workers are busy at work and have not turned in their reports.

Dr. Joe D. Parker has collected \$47.00 in a section of the downtown area and two other blocks have turned in around \$100.00.

Mrs. Willard Cooper and Mrs. W. C. Freeman who have worked the Maysfield Community have turned in \$84. Thorndale has gone over their quota collecting \$1,108.49.

The Buckholts Community under the leadership of Floyd Stark has turned in \$305.87. Mr. Stark has also worked the Fuchs Community, with \$40.00, South Elm, \$17.35 and Bryant Station with \$36.75 coming in. He has done a good job in that part of the county.

### Maysfield Man In Major Invasions

Sgt. Thomas G. Thweatt, son of Mr. and Mrs. Gilford Thweatt of Maysfield, has just returned from Korea.

Sgt. Thweatt has been in Korea for the past 6½ months and was a visitor at the Herald Plant Wednesday and related some of his interesting and at the same time dangerous experiences on the front lines. He was in 2 of the major invasion attacks and said at times it was really rough going. The bitter winter cold was of a great hindrance to the Allies as they were not accustomed to it like the Koreans, but the determination and morale of the UN troops to hold the 38th parallel was inevitable.

He has been in the armed services for almost three years and was shipped overseas in July 1950 and landed at Pusan, Korea. He was in active duty in that area as well as the section near Hungnam where much of the bitter fighting took place.

Sgt. Thweatt said he stopped in Saseho and Yosaka, Japan and the Midway Islands on the way home. He graduated from Yoe High School in the Year 1947 and is well known in this part of the county, where many friends are welcoming him home.

### Lack's Auto Associate Store Observing Fifth Anniversary This Week

Lack's Auto Associate Store is observing its Fifth Anniversary in Cameron on Friday and Saturday, April 13 and 14.

W. C. Allen, owner and manager of this popular store is happy to announce that a discount will be given on all purchases over a certain purchase price and the store has a complete selection of thousands of items to choose from.

Mr. Allen wishes to express his deep appreciation to the public for the splendid patronage during the past five years and is inviting new and old customers to visit his store. Refreshments will be served on Friday and Saturday. An ad is currently running in these newspapers concerning the anniversary.

Mrs. Allen and their son, Marvin, are also associated with the store and have been instrumental in the progress of the store.

### Rep. Henry Lehman Active At Austin

Farm to market roads Nos. 1444-1445 will soon be completed between Ben Arnold and Clarkson according to Judge Dan Tysen.

This important road base between the communities has been placed and the road will be topped within a short time.

The concrete bridges have been completed and the total cost of the road construction will be \$100,533.16.

The farm to market road program that has been so thoroughly discussed in the legislature during recent weeks, known as the Sewell Bill has passed the House with a substantial vote.

Representative Henry Lehman who was a co-author of Bill H. B. 669, introduced the bill at the legislature recently. The bill, if passed will be adequate to take care of a rural road program that will meet the needs of the farm to market road system of Texas.

This bill provides around \$15,000,000 a year for the building and improving rural roads.

Farm to market road No. 486 from San Gabriel to Pettibone that will connect up with Highway 36 leading into Cameron is almost completed, according to reports, and from all indications the county court is alert concerning the progress of rural construction in the county and are due a great deal of credit relative to this needed road work.

### Approximately \$3,000 Collected In County; More Funds Needed

The American Red Cross Drive has been extended indefinitely, according to a report received by Mrs. Agnes Lowe, secretary of the Milam County Chapter, from national headquarters.

Some areas of the county have gone over their quotas and workers in others are still striving to reach the amounts set for the different communities.

The Rockdale Drive got underway this week with Rev. Byron Welch, Pastor of the First Christian Church as city chairman.

Up to the present approximately \$3,000 has been collected from those communities that have sent in their reports but a number have not made reports at this time.

Workers are being urged to continue in their efforts to carry out the drive as donations are still greatly needed to make the drive the usual big success.

### Two New Trustees Elected At Milano

Archie Newton Graham and Reese Ashley were elected trustees of the Milano Independent School District, in Saturday's election, it was disclosed by Hinton Pruett, county superintendent of public schools. Mr. Graham received a total of 156 votes and Mr. Ashley received 150. Both were elected over veteran members of the board, Bob Divers and E. C. Westbrook who received 117 and 107 votes respectively.

Mr. Divers and Mr. Westbrook have devoted their time and interest to the schools of Milano for a number of years and the newly elected trustees are well known as leading civic citizens in that section of the county.

Asa McGregor was election judge, assisted by Willard Pierce and John Morgan. A total of 310 votes were cast.

The election of other trustees over the county will be published as soon as possible.

### Noted Specialists To Be Guest Speakers

Dr. H. G. Johnston, Head of the Entomology Department, A. & M. College, Fred Elliott, Cotton Work Specialist, and E. H. Bush of the Extension Service, will be guest speakers at the regular monthly meeting of the Milam County Farm Bureau to be held Thursday, April 19 at the district courtroom in Cameron at 8 p. m.

Dr. Johnston will discuss latest methods and measures of Cotton insect control and will also give needed discussions on truck and garden insects.

Mr. Elliott and Mr. Bush will discuss and explain the latest methods in cotton production.

All of these discussions will be highly beneficial to the farmers in this area and every member of the organization should be present and bring a friend. Many advantages among farming is always brought out at the meetings that are applicable to the growth and production of crops in this county.

All cotton and truck farmers are urged to attend as well as agricultural workers, ginners, farm implement dealers, insecticide dealers and other interested persons.

Meetings of this nature have been held yearly in this county sponsored by the Farm Bureau and this year the Crops Committee of the organization is sponsoring the event in connection with the Extension Service Office at A & M.

Hubert McClaren of the Marlow Community is chairman of the committee and preparations are underway to make the meeting a big success.

### Boys In Korea Would Like To Hear From Home; Write To Them

The editor of these newspapers received a letter from three G I's today who are lonely for news from home and friends. We print their letter and addresses so that someone may write and cheer them with a letter from home.

The letter in part reads;

Dear Editor:  
We are three G I's in Korea hurting for a little news from home. If you know of anything at all that can write—human, animal or mineral, etc. we'd sure appreciate it if you would pass this on to your readers, because a little mail would sure make us feel fine.

Thanks

## A TRIBUTE

(Contributed)

Mrs. L. H. Porter Sr., passed away at the home of her daughter, Mrs. Clark Kelly in Cameron, March 27, 1951. The family was at her bedside.

Alice Hamblen Porter was born in Salado, Bell County April 17, 1869, the daughter of Alice Gray and W. K. Hamblen.

Her pioneering family did much for the cause of Christian culture in Central Texas. She became the wife of Louis H. Porter, Sr., in 1899 and moved to Rockdale where she made her home for over forty years. She became the mother of four children of Mr. Porter's by a former marriage, his first wife being her sister. One child was born to her and Mr. Porter, a daughter, Mary Alice.

In 1943 Mrs. Porter moved to Austin where she and Mary Alice made their home. In December, 1950, because of serious illness she was brought to her daughter's home in Cameron.

Of her immediate family, her husband, one daughter, Katherine Louise and two sons, Louis Hamblen and Henry C. preceded her in death. Only Mrs. Clark Kelly of Cameron and Miss Mary Alice Porter of Austin survive. Other near relatives are one brother, Dr. C. H. Hamblen of Holland; three sisters, Mrs. Carl Aiken of Salado, Mrs. A. M. White of Kingsville, Mrs. W. R. Manning of New York City, one grandson, Dr. Louis H. Porter of Dallas and many nieces and nephews.

Mrs. Porter united with the church at an early age. The usefulness and happiness which filled her life were the results of her labors in the Lord's kingdom. Her unselfishness life as daughter, wife, mother and friend speaks for itself. Her children call her blessed. Her works go on forever.

She was laid to rest in the family burial lot in Rockdale. Mr. H. E. Crone, a former pastor and one time minister of the First Christian church of Rockdale conducted the services.

Pallbearers were Gray Aiken, W. H. Hamblen, James Barton, George Naughton, Bill Harsha and Frank Reed.

## Revival In Progress At Local Church; Rev. Alan Banks Speaker

(From The Daily)

A revival began at the Gospel Tabernacle Church, Tuesday evening April 3, Rev. H. M. Bowley, pastor, has announced.

Rev. Alan H. Banks is bringing the gospel messages and has held a number of revivals already this spring. He is well known as an outstanding speaker in the ministry. His messages since Tuesday night have been from the Book of Romans.

The morning service is at 9:30 A. M. and the evening services at 7:30. The church extends cordial invitation to the public to attend these services.

Rev. Banks has had much experience in work among the children and will bring a special message Friday evening for children that will also interest the adults.

## Enemy Forces Face Allied Trap

TOKYO, Monday, April 9—United Nations troops began cracking formidable Chinese Communist defenses south of Hwachon reservoir Sunday and one spearhead rammed to the key Korean water project's southern bank.

The reservoir straddles an 18 mile long strip of mountainous territory on Korea's central front and is between one and four miles wide. It's southernmost tip is slightly less than four miles north of the 38th parallel.

Allied troops reached the southern banks of the reservoir. The crucial Pukhan River dam, seven and a half miles north of the parallel, which controls the flow of water in South Korea's Pukhan valley, was still in Communist hands.

The U. N. spearhead bypassed several pockets of strong enemy resistance in its dash to the reservoir as other Allied units stormed up mountains on both sides of the winding river below the dam.

Southwest of the reservoir bank American patrols met heavy rifle, mortar and machine gun fire as they scaled the precipitous sides of a mountain ridge that runs due north of the Allied base of Chunchon.

An estimated enemy regiment faced the U. N. advance on the ridge and the Chinese were reported concentrating strong forces to defend the reservoir itself and the city of Hwachon.

Hwachon lies three miles from the western edge of the reservoir and is virtually on the perimeter of the area where Reds have been reported massing more than 500,000 troops for an expected counterassault.

## Three Act Comedy To Be Presented At Rogers High School

"ALMOST EIGHTEEN," a three-act comedy by Dana Thomas, has been chosen for presentation by the Junior Class of Rogers High School. The play will be given at the High School Auditorium Friday evening, April 20. Miss Betty Lois Green and Mr. Winston Sharp will be seen in the leading roles. The production will be under the direction of Mr. J. L. Chervenka.

"ALMOST EIGHTEEN" is one of the cleverest plays brought out in the last few seasons, a delightful combination of pathos and laughter and promises an evening of youthful enchantment.

The proceeds of this play will be used for the Annual Junior-Senior Banquet.

## Husband Of Former Milam County Woman Receives Honor

The "Citizenship" was conferred upon Robert C. Hudson, 47, husband of a former Cameron girl in his suite at the Stevens Hotel recently.

In an ingenious effort to lure him from Chicago to Texas to become a real citizen of this state, Gov. Allan Shivers sent John J. Gannon, an honorary colonel on his staff to Chicago to make an honorary Texan of Robert C. Hudson.

Asked why the honorary citizenship was being given Gannon replied: "Well, Mr. Hudson is the governor's good friend, and Mrs. Hudson comes from an old family in Cameron, Texas. But we've been trying for a long time to get him to Texas and now we're trying this way." Mr. Hudson wouldn't commit himself on the subject.

Mr. Hudson is the husband of Frances Hause who is the daughter of Mr. and Mrs. John T. Hause life long resident of Milam County. The family is well known in the county.

Mr. and Mrs. Charles Simecek and family of Pasadena were visitors in the Cameron Herald office recently.

Some would rather speak ill of themselves than not to speak of themselves at all.

Br. and Mrs. Albert Drozd spent the week end at Granger.

Mr. and Mrs. Cecil Porter of Caldwell and Mr. and Mrs. J. L. Thomas of Franklin were recent guests in the home of Mrs. Joe Sheguit and family. Billy Scott returned with the Porters to spend the week end.

Theresa, Frank and Lawrence Mueck spent the week end at Fort Sill at Lawton, Oklahoma. They visited a brother, Pvt. Bernard L. Mueck who is stationed at Fort Sill.

## Milam Men Stationed In California For Initial Training

Thomas Stoeber and Billy Ray Bennesch of Burlington enlisted in the U. S. Navy this week and left for California where they will be stationed at San Diego.

Mr. Stoeber is the son of Mr. and Mrs. Will Stoeber of Burlington. He was office salesman at the McLain Wholesale Co., in Cameron before entering the service and had been Bookkeeper for the William Cameron

Lumber Mills at Waco.

Mr. Bennesch is the son of Mr. and Mrs. Edward Bennesch of Burlington. He assisted his father in farming and ginning at Burlington before entering the service.

Both boys are graduates of Rosebud High School.

The Stoebers have another son, Lloyd who is in the Air Corps and stationed at Samson Air Base, New York.

Mr. Stoeber said they had received word from the boys and they like the Navy fine.

If you want to know why the girls close their eyes when they kiss you, look in the mirror.

Mr. and Mrs. Luther Reese of Odessa are spending several days in Cameron visiting relatives and friends. Mrs. Reese is a sister of Mrs. J. J. Martin and H. B. McClellan.

Miss Nancy Grabein who had an appendectomy at St. Edward Hospital the past week has returned to her home and improving nicely. She may have company now.

Hubert Shafer of Gause, student at Southwest Texas State Teachers College is to practice teaching agriculture at Lockhart this semester.

## Buzz And The Off-Key Baritones

Reverend Lester of the church out on Hillsboro Road coaches his Young Peoples' Choir late Thursday afternoons—after high school basketball practice lets out.

Buzz Ellis pastures cows next to that church. Around 5 o'clock they used to make a lot of racket about wanting to go home. That made it kind of rough on the choir.

When Buzz learned what was going on he said to Reverend Lester: "I never yet heard of a cow that could moo on key. So, I'll just move 'em in a little earlier..." This started me to thinking. Buzz

doesn't go to that church. And he's so tone-deaf he couldn't carry a tune in a bucket!

From where I sit, you might say that Buzz didn't have much in common with those singers. But he doesn't divide folks into groups he's "with" or "agin." Your politics, your personal preferences—or the fact that you like a moderate glass of beer—mean nothing either way to Buzz. He's a real neighbor to everybody!

## O. J. Thomas School Takes Honors At District Meet Saturday

The District No. 12 Interscholastic League activities were held in Giddings, Saturday April 7, with four A Class schools, 14-B Class schools and approximately 30 C Class schools participating in the event, according to C. L. Sadberry, principal of the O. J. Thomas School.

The O. J. Thomas School for six consecutive years has taken the honors at the district meet. This year the school made a total of 115 points in literary events and 105 points in track events making a grand total of 220 points.

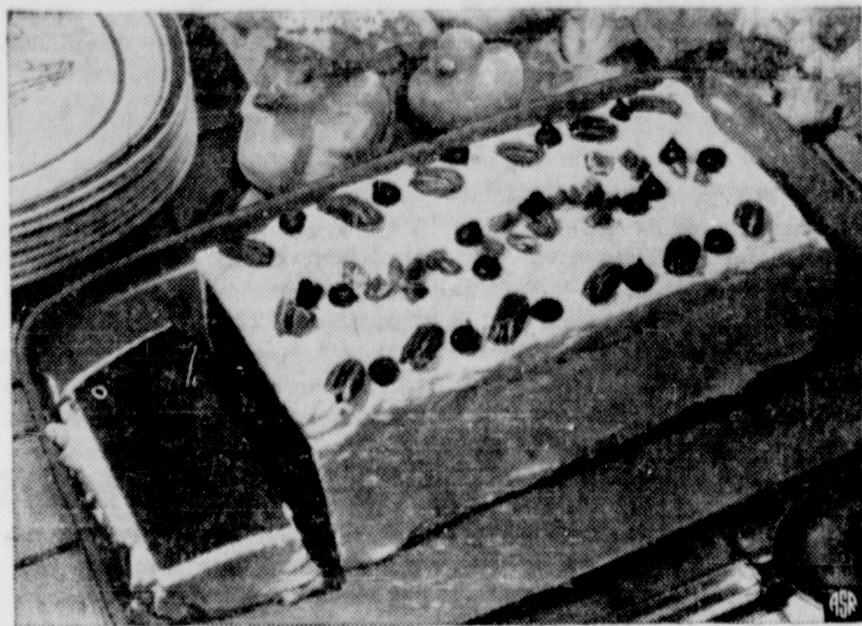

The school was awarded the athletic, literary and all-round trophies.

Taylor School was second place with a total of 65 points which was not a close contender of the events. Other schools that participated are as follows: Smithville, Caldwell, Rockdale, Elgin, Georgetown, Granger, Bastrop, Somerville, Smith Graded, and Giddings.

Cameron's track team was made of nine boys, namely John and Frank Freeman, Clyde Campbell, Benny Canady, Alvin Turner, J. B. Washington, Allen Guelix, D. C. and E. C. Ward.

The O. J. Thomas School has been runner-up team in field and track for four straight years and the literary state winner of interscholastic league activities for four years in succession.

## Make-Believe Cake! No Foolin'

Let the family have their cake and eat it—no fake but not cake, instead it's a fluffy chocolate sponge molded in loaf form. Made and decorated with morsels of semi-sweet chocolate, the flavor is rich and texture delightfully light. You can also chill the mixture in custard cups, in a ring mold or pile it in sherbet glasses, but here's the way to make

| 1 package semi-sweet chocolate | 3 eggs, separated           |
| 1 teaspoon vanilla             |                             |

Soften gelatine in milk in top part of double boiler. Add  $\frac{3}{4}$  of the package of semi-sweet chocolate morsels, salt and 2 tablespoons of the sugar. Cook over hot water, stirring frequently until chocolate is melted and gelatine is thoroughly dissolved. Beat with rotary beater until smooth. Beat egg yolks slightly; add hot mixture stirring constantly, and return to double boiler. Cook and stir 3 minutes longer. Remove from heat; chill until the consistency of unbeaten egg white. Beat egg whites until stiff; add remaining sugar and continue beating until very stiff; add vanilla. Fold in chocolate mixture. Turn into a 5 cup loaf pan; chill until firm. Unmold; if desired "frost" top and sides with whipped cream; garnish with remaining semi-sweet chocolate morsels and pecans. YIELD: 6 to 8 servings.

Mr. and Mrs. Bartow Jackson of Cameron joined by their son, Thomas Jackson of Austin spent the week end visiting in Luling in the home of Mrs. Jackson's sister, Mr. and Mrs. L. V. Hairston.

The many friends of Jue Luce will be glad to know he is much improved and has returned to his home after being in Newton Memorial Hospital.

Go To Church Sunday.

## News And Views From Your Home Demonstration Agent

by Mrs. Bertie Alford

There will be a meeting on Saturday April 14, at 10 a. m. in the District Courtroom for the 4-H club Sponsors and some girls from each 4-H club. Instructions will be given about the club Dress Revues and the County Dress Revue which will be held early in May. Plans will be made for other forthcoming activities such as selection of girls to attend 4-H Roundup at College Station, District 4-H Encampment at Buckhanna Dam, the 4-H Gold Star Girl, etc. So please make an effort to be present.

The Burlington, Hoyte, Gay Hill and Conoley Home Demonstration clubs were represented at the Civil Defense Meeting called by Judge Tyson on April 4, at the Courthouse.

Miss Mary Routh, Clothing Specialist from College Station, held a training school in the Home Demonstration Agent's office on April 3-4 for the following Home Demonstration Agents: Miss Jeanette Walaver, the Grimes County HD Agent Mrs. Alice Hughes, Agent in Training, Brazos County; and Mrs. Bertie Alford, local Home Demonstration Agent. A most informative and useful school was reported by all.

Several Club ladies from Bethlehem visited the Hoyte Home Demonstration club last week when a demonstration was given by the Hoyte club Leader on buying foods wisely. Such points as quality, number of servings and cost were stressed.

Several of the Gay Hill Home Demonstration Club ladies attended the above demonstration given by the Forest Grove Home Demonstration Club Leaders recently, too. Let's visit our neighbors club more often. Makes for more harmony and better understanding among all.

The Home Demonstration Agent met with the Clarkson Home Demonstration Club in the home of Mrs. John Wimberly on Thursday after-

noon, April 5 for a regular meeting.

Sharp 4-H Girls had an informal meeting Thursday morning, April 5 Mrs. Alford discussed many small detail points about the forthcoming Dress Revue.

Milano 4-H Girls held their Club Dress Revue Tuesday morning, April 10. Mrs. Britt, the Milano Homemaking Teacher and some of her Homemaking students acted as judges. Thirteen girls participated in the Dress Revue by exhibiting garments.

"The bonds Mack and I bought for our country's defense bought and remodeled a house for us."

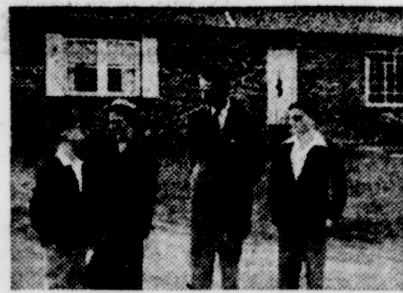

BARBARA AND MACK CARTER OF OLD HICKORY, TENN. CAN TELL YOU—IT'S PRACTICAL AS WELL AS PATRIOTIC TO BUY BONDS FOR DEFENSE

"Our house and lot are valued at \$15,000," says "Bobby" Carter, trained nurse. "And approximately one-third of this amount Mack and I accumulated in bonds we've bought through Payroll Savings. We call it 'the house that bonds built.' Regular saving is really the only way to save!"

"Mack puts about 15% of his \$3,400 a year into bonds," Mrs. Carter says. "I earn some \$3,000 out of which we save 25%. With bonds we bought our house, had it moved to our river lot and remodeled it."

"We still have \$3,500 in bonds and are both continuing on Payroll Savings. Our two boys have \$600 worth of bonds of their own, earned through paper routes and caddyng. We're all real bond boosters!"

The Carters' story can be your story, too. Start saving now!

You, too, may reach your goal, as the Carters did, and easily. Start now! It takes only three simple steps:

1. Make one big decision—to put saving first, before you even draw your pay.
2. Save a regular amount systematically, week after week or month after month.
3. Sign up today in the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

You'll be providing security for yourself, your family and our free way of life. You'll make your dreams come true!

SAND GROVE NEWS

By MRS. CURTIS JACKSON

There was a very nice attendance at the Sand Grove church Sunday afternoon. A few members were absent due to sickness. Everyone is invited to attend the Sand Grove church of Christ each Lord's day evening at 2 p. m. We are always happy to have visitors and members from other congregations.

Farmers of the community have finished setting out tomatoes and still have some re-setting to do. A few have planted watermelons and feed crops have been started.

Billy Gene McNeil has completed a 15 day furlough here and left Sunday afternoon for Ft. Lawton, Washington. From where he will be sent to Japan. He is the son of Mr. and Mrs. Alvin McNeil of this community and has many friends who enjoyed his visit to the community. He is a member of the Sand Grove Church of Christ and is greatly missed. Our prayers are that he will return safely home to us when this dreaded war is over.

Visitors in the Harold Neal home Sunday were Mrs. Neal's mother, Mrs. Fannie Hoidness of Milano and her sister and brother-in-law, Mr. and Mrs. Monroe Pierce and children of Houston; and Mr. and Mrs. O. T. Bankston.

Mr and Mrs. Dan Woolverton had as week end guests in their home their son, Mr. and Mrs. Horace Woolverton of Salinas, California. It had been several years since he had visited his parents and they enjoyed being Woolverton home were Mrs. Jimmy with him. Other visitors in the Dan Phillips and children of Salinas, California, Mr. and Mrs. Oscar Woolverton and children, Mrs. George Beard and daughter and Mrs. B. L. Jackson and son all of Houston.

Miss Barbara McNeil of Chapel Hill spent the week end in the home of her Uncle and Aunt, Mr. and Mrs. A. R. Coldiron. She also visited her grandparents, Mr. and Mrs. Alvin McNeil.

Sunday guests in the Curtis Jackson home were Mr. and Mrs. Gobel Baker and Mr. and Mrs. H. E. Baker of Baytown. Visitors during the afternoon were Mr. and Mrs. Oscar Woolverton and children and their daughter, Mrs. Jimmy Phillips and children of Salinas, California, Mrs. E. L. Jackson and son of Houston and Mrs. George Beard and daughter also of Houston and Norris Baggett of Pasadena.

Mrs. Curtis Jackson spent last Thursday night in the home of Mrs. J. E. Hook and son, Pete at Heidenheimer.

New Polish For Spring Housecleaning

Spring cleaning will actually rejuvenate your furniture this season if you apply the new furniture polish that contains silicone and leaves a protective coating on the woodwork. Hot coffee, tea or milk, as well as the children's sticky fingerprints can be easily removed from the furniture after this amazing polish has been used.

This new polish, called Dri-Glo, does wonders for all types of woodwork including blonde. The housewife can wipe it on with a damp cloth and polish surfaces to a bright lustre with little more time or effort than she would use for dusting. The resulting film, protective and invisible, will maintain its hand-rubbed look for months.

Silicone compounds, developed in research laboratories during the last war, were first used to protect precision instruments, to insulate delicate electrical equip-

ment and to waterproof ignition systems. Now the homemaker gets the benefit in time for Spring 1951 cleaning.

Summer dust will slide right off the furniture after the revolutionary polish has been used. One bottle—which costs less than a dollar—is said to polish all the furniture in the average six-room house. That includes the kitchen, too, for this compound can be used on enamel and porcelain surfaces to give them that rich, protective dry glow.

Mrs. Jackson made the trip especially to be with her sister, Mr. and Mrs. Will Goodwin of Ft. Worth who were also visitors in the Hook home. Mrs. Hook is another sister of Mrs. Jackson. Mrs. Jackson also visited in the home of her husband's cousin, Miss Nettie Jackson in Temple. She reported a nice visit in each home.

Mr. and Mrs. W. T. Baggett of this community and their son, Norris of Pasadena spent Sunday in the home of Mr. and Mrs. J. M. Whited of Chrismen. The occasion being Grandpa Whited's 75th birthday. A large number of relatives and friends were present for a big birthday din-

ner. They wished Grandpa Whited a very happy birthday.

Mr. and Mrs. Leland Garrison and son, Tommy spent Sunday in the home of his Grandparents, Mr. and Mrs. O. T. Bankston.

Mr. and Mrs. Fritz Senkel and daughter spent Sunday in the home of John Mier at Eddy.

Better not tell a restaurant man you are hungry enough to eat a horse. You're liable to eat just that.

Miss Adeline Senkel of Taylor spent Tuesday visiting in the home of her cousin, Mr. and Mrs. Albert Drozd.

JONES PRAIRIE NEWS

BY MRS. S. S. HICKMAN

Mrs. Stanley Ray will organize a Sun-Beam band Sunday evening April 15, at 7 p. m. The age group will be from 4 to 9. Mrs. Ray has named the band, "John Mill's Sun-Beam band" in honor of Rev. ## Hail Hammers Rosebud Area

ROSEBUD, April 2—Hail played havoc with feed crops in this area late Sunday, and several barns and a rent house were reported demolished by high winds which accompanied the hail.

The storm apparently struck first in the Barclay community, nine miles west of Rosebud, then moved through Burlington to the Briary community which is 10 miles southeast of here.

Joe Smiley of the Briary community reported 150 acres of Sudan grass was flattened by the hail stones. Charley Brown, also of Briary, said a rent house that belonged to him was blown over and Herbert Michaelwitz and A. Klaus, both of the Hamilton community, said they lost a barn in the storm.

A small amount of hail was reported in Rosebud.

## Revival At Marlow Baptist Church To End Sunday With Program And Dinner On Grounds

(From The Daily)

The Eight Day Revival at the Marlow Baptist Church will close Sunday Night April 8.

The revival has been in progress all this week with both morning and evening services being held.

Rev. Theron Stephens, pastor of the First Baptist Church at Marble Falls, is doing the preaching and Rev. Joel Theilpeape, pastor of Marlow Church is leading in the song services. Large crowds have been attending nightly and spiritual results have been obtained from the meeting.

The revival will be climaxed by a basket dinner and enjoy the fellowship of the day. A program is being arranged for the afternoon and the public is invited to attend. Services will be held tonight at 7:30 and Miss Shirley Horstmann is to bring special music. She has assisted in a number of the revivals at the church in recent years.

## Merchants Must Fill Out OPS Form No. 3 To Comply With Regulation

All merchants and business houses who are filling out form Price Regulation No. 7 are to come by the office of the Chamber of Commerce and pick up OPS form Uo. 3 according to L. G. Smith, manager.

This form No. 3 is to be included with form No. 7 when it is mailed in and a limited supply is now available but more are being ordered, Mr. Smith said. It is necessary that form No. 3 be included. Complying with this rule will save the merchants a lot of time.

## Construction On Increase In City

Building permits for the month of March totaled \$18,252.00, according to W. H. Stafford, city secretary.

The majority of the permits for the month issued by the city were for new homes in the residential areas of the city, namely, Frank Perrin, Charlie Sims, R. W. Wiese and Edna Spriggs.

Walter Lester, owner and operator of the Cameron Seed Company is erecting a warehouse which supplemented in the total amount of permits issued.

Since the first of January, 1951, permits have totaled \$45,045.00 and is a good indication that construction will progress this year at a consistent increase as the year continues. 1950 was a good year but fell below both 1948 and 49 reports.

A number of repairs were also included in the permits.

Construction of buildings, houses and other properties in the larger cities continue at a moderate rate even though a material shortage is becoming acute in some areas of the state.

A number of large hospitals in the city of Houston are still under construction.

### AWARDED MEDAL

Staff Sergeant Koye A. Cass, son of Mr. and Mrs. W. L. Cass, Route 1, Gause, Texas, has been awarded the Good Conduct Medal at Goodfellow Air Force Base, San Angelo, Texas.

The award was made to S-Sgt. Cass for having conducted himself with exemplary behavior, efficiency and fidelity during the period of December 8, 1947, to December 7, 1950.

He has been stationed at Goodfellow Air Force Base, where he is a senior woodworker assigned to the 3545th Installations Squadron, since January 12, 1948.

## Cameron Men Will Attend Convention

The Texas Junior Chamber of Commerce will hold its 24th annual State Convention at the Shamrock Hotel, Houston, Texas on April 12, 13 and 14. W. G. (Bill) McDanel, Dallas, State Jaycee President, said that "Early estimated attendance figures are over the 2,000 mark, representing delegations from 133 Texas Jaycee clubs."

Marvin Hurley, Executive Vice president and General Manager of the Houston Chamber of Commerce, will deliver the Keynote address of the convention. Hurley served as Executive Vice President of the United States Junior Chamber of Commerce, when the organization's National Headquarters were located in St. Louis, Missouri.

Election of State Officers, of which one president, 12 State Vice Presidents and 4 National Directors, will be held on April 14, final day of the three day annual meeting.

Jaycees who will attend from Cameron are Milton J. Schiller, Charter president of the organization and Narvie Caperton, a member who has devoted much time and effort in the progress of the Junior Chamber.

The organization recently elected

officers and are as follows: Gus Evans Jr., president; Frank Richter Jr., vice-president and Don Humbles, secretary and treasurer.

Social events on the convention agenda include: a golf tournament, Shamburger Party at the Shamrock's famous swimming pool, a welcome night reception and dance, the traditional awards and Keynote luncheon and a Parade of Towns. Special for the ladies, will be teas, receptions, style shows and a boat trip up the

Houston channel. The Inaugural Banquet and Ball is scheduled for Saturday night in the world famous Emerald Room at the Shamrock Hotel. Miss Margaret Sue Summers, Miss Texas of 1950 and a student in the University of Texas, will reign as queen of the State Jaycee Convention.

Some women talk to their husbands positively awful; others awfully positive.

## MANY FRIENDS AND RELATIVES ATTEND GOLDEN WEDDING ANNIVERSARY APRIL 1

Dr. and Mrs. W. J. Fontaine were hosts on Sunday April 1, 1951 at their home at Jones Prairie to friends from over central Texas where they held open house in celebration of their golden wedding anniversary.

The doctor and wife, both wore flowers suggestive of the milestone as they extended greetings to their friends. Mrs. Fontaine was dressed in cedar-beige crepe, wore an orchid tied with gold ribbons and the doctor wore a gold ranunculus boutonniere.

Bowls and baskets of beautiful gold calla lilies, roses, iris and ranunculus as well as numerous white hydrangeas in gold dressed containers were given by friends to help provide a beautiful party background.

There were visitors from Cameron, Calvert, Rosebud, Temple and numerous other towns in Central Texas. More than 300 were registered by Miss Ethel McKinney in the guest book.

Miss McKinney was one of several of the wedding guests who were present for the celebration.

A group of young ladies in pastel formal dresses assisted in the house-party as follow: Sylvia and Mary Lee Hughen, Kay Storey, Joy Thwatt, Corrine Massey, Bettie Dell Crook and Barbara Jo Young.

A central adornment, a bowl of gold ranunculus was placed on the outwork linen cloth covering the dining table. The wedding cake which rested on a reflector was tiered and had decorations of confectioners' talisman roses and was circled with gold and white tulle. Mrs. Carol Green and Mrs. Dick Young alternated in serving gold colored punch at the crystal bowl. Cake squares, salted nuts, gold and white mints and olives were also offered. Gold foil wedding bells were favors.

Among the out of town friends and relatives attending were Dr. Fontaine's only sister, Mrs. N. C. Erskine, and her son and family, Mr. and Mrs. Fontaine Erskine and daughter, Mary Jo, residents of Temple; Mrs. Fontaine's only brother, Mr. and Mrs. Casker McLerran of Greenville and their two sons and daughter in law, Mr. and Mrs. Ghent McLerran of Dallas and Mr. and Mrs. Howard McLerran of Houston.

Also attending the entertainment were; their son and daughter-in-law, Mr. and Mrs. R. K. Fontaine of Jones Prairie, but their daughter and son-in-law, Mr. and Mrs. Roy Little of

Washington, D. C., were unable to be present. Three of their six grandchildren, Billy Fontaine of Beaumont and James and Karen of Jones Prairie were at the celebration.

Billy Roy Little of Washington, D. C., Mrs. Bill Swope and Miss Ann Fontaine of Oceanside, California could not attend.

The couple were married fifty years ago at the home of the bride's parents, Mr. and Mrs. Jack McLerran, at Jones Prairie and have made their home in that community since their marriage. Dr. Fontaine has devoted his time as a physician to his community.

They are members of the First Methodist Church in Cameron where they attend regularly and Mrs. Fontaine is the faithful teacher of a group of junior boys in the church school. Her class sat in a body at the church service Sunday and attended the celebration together.

Mrs. Lois Haddox attended the funeral of her brother-in-law, J. P. Haddox at Caldwell the past Wednesday.

## Vogelsang Church Setting For The Marriage Of Miss Sager And Mr. Selph Recently

In a candlelight ceremony read recently by Rev. Fred Anderson in St. James Church of Vogelsang, Miss Evelyn Norene Sager became the bride of Madison Gene Selph.

The bride is the daughter of Mrs. Minnie Sager of Cameron, Route 2.

After the traditional musical prelude selections were played, Miss Joyce Kleb of Houston sang, "Always," accompanied by Mrs. Max Schultze. Rev. R. Kalkbrenner of Cameron sang the "Lord's Prayer," accompanied by Miss Shirley Horstmann of Cameron and after the bridal couple and the wedding party were at the altar, Miss Horstmann sang the "Wedding Prayer."

Vows were exchanged before the altar, which was adorned with baskets of gladioli, lighted by seven-branched candelabra, holding white tapers and twined with pink gladioli. The party stood in the chancel of the church where similar decorations were used.

The bride, given in marriage by her uncle, Egon Vogelsang of Houston, wore white bridal satin. The close fitting bodice, fastened down the back with self covered buttons, was designed with a round yoke of illusion finished with a bias satin fold. The full skirt was overskirted with nylon net which formed a cathedral train. The bride wore white satin mitts with nylon insets and carried a bouquet of orchids, stephanotis and white satin shower ribbons on a prayer book. The bridal veil was attached to a cloche of white satin embroidered with pearls.

The bridegroom's gift to the bride was a single stand of pearls. For something old she carried a lace handkerchief, belonging to Miss Beatrice Woods of Houston; for something borrowed, the Bible belonging to Miss Betty Moe Thompson. The bride also wore something blue and had a penny in her shoe.

Serving as maid of honor was the bride's sister, Miss Wanda Jean Sager of Houston. Her dress, designed like the bride's, was made of powder blue taffeta and net. Her matching headress held a shoulder-length veil, and she wore short taffeta and nylon mitts. She carried a heart-shaped

bouquet of pink gladioli with rainbow streamers and wore a strand of pearls, a gift from the bride.

Judy Vogelsang of Houston, who served as flower girl, was dressed identically with the bride in white satin and net. She carried a white satin basket filled with flower petals. Lawrence Laffere carried the rings on a white satin pillow. He wore a white linen suit.

Mrs. Lucille Prokisch of Cameron, cousin of the bride, was matron of honor and Misses Woods and Alice Calhoun of Houston and Miss Janice Selph of Eagle Lake, sister of the bridegroom, served as bridesmaids. Their gowns were designed similarly to the maid's of honor and were deep blue, pink, orchid and pale green, respectively. All wore strands of pearls, gifts of the bride, and each carried bouquets of pink gladioli tied with rainbow colored ribbons.

The bridegroom, who is the son of Mr. and Mrs. M. E. Selph of Eagle Lake, was attended by his brother, Melvin Selph of San Marcos. Ushers were Archie Prokisch and Roy Becker of Cameron. Groomsmen were B. B. Broden of Houston, Clarence Sager, brother of the bride, Henry Redehase, cousin of the bride of Cameron, and Francis Vogelsang of Houston, also a cousin of the bride.

The bride's mother wore a navy sheer dress with white and navy accessories and an orchid corsage. The bridegroom's mother also wore navy blue with an orchid corsage.

Miss Bettye Young registered the guests at the church where Mr. and Mrs. Selph were congratulated by the wedding guests prior to going to the bride's mother's home where the reception was held. Many out of town guests were also registered.

The tea table, covered with a lace cloth and lighted by tapers in crystal holders, was highlighted by the bride's bouquet and the wedding cake which was five tiered and rested on a mirror reflector. A dainty white net ruffle surrounded the cake, decorated with hearts and roses with miniature bride and groom. Two orchids also adorned the cake. Back of the bride and groom was a double

RECENT BRIDE—The former Miss Evelyn Norene Sager, daughter of Mrs. Minnie Sager of Cameron, Route 2, became the bride of Madison Gene Selph in a recent ceremony read in the St. James church of Vogelsang. The couple will live in Houston.

### Miss Ina Jean Kirk And Bobbie Jackson Married March 24

In a ceremony performed at the First Presbyterian Church at 5 p. m. Saturday, March 24th Miss Ina Jean Kirk became the bride of Bobbie Ray Jackson. Rev. John Solomon, pastor of the church read the double ring ceremony.

Floor baskets of white stock decorated the church. A bowl of white stock and candytuft was placed on the organ. Mrs. Hilliard Thomas was at the organ and played, "Always," "Indian Love Call" and "Because." Rev. Bob Kalkbrenner sang, "Because."

The bride, given in marriage by her mother wore a lovely white nylon gown over satin that extended into a long train. The gown, beautifully designed with fitted bodice and sleeves that extended into a point over the hands. A finger tip veil fell from a small fitted cap. She carried a white orchid on top of a Bible.

Miss Anna Lee Kirk, sister of the bride was Maid of Honor. Bridesmaids were Miss Georgia Lee Meith of Houston and Mrs. James R. Curtis of Houston, sister of the bride.

The attendants were dressed identically. Their dresses were orchid organly over taffeta and halo hats of shirred organly. The Maid of Honor carried a Boka rose carnations and acacia bouquet. The bridesmaids carried bouquets of feathered carnations and acacia.

Thomas D. Jackson, brother of the groom was best man. Ushers were Gene E. McLain, Jr. and Richard Taylor of Columbus.

Mrs. Kirk, mother of the bride was dressed in a rust lace over taffeta with brown accessories and her corsage was an orchid.

Mrs. Jackson, mother of the groom chose a navy suit and an orchid corsage.

A reception was held at the home of the bride's mother immediately following the ceremony. Anna Lee Kirk served the three tiered white wedding cake and Georgia Meith poured the punch. The table in the dining room was covered with a maderia cloth and candles were placed in silver candelabra. Flowers were placed on the table and a bowl of white stock on the buffet.

Mrs. James Curtis registered the guests in the guest book.

For traveling the bride chose navy dressmaker's suit with navy accessories and a white orchid corsage.

Following a short wedding trip the couple will be at home in College Station where the groom is a student at A & M College.

Out of Town guests attending the wedding were; Mr. and Mrs. James Curtis, Suzanne and Janice of Houston, Miss Georgia Lee Meith of Houston, Mrs. E. E. Williford of Warren, Mrs. Nola Malone of Genoa, Mr. and Mrs. Newton Grabener and daughter of El Campo, Dick Tumlinson and Ray Allen of College Station and Richard Taylor of College Station.

Mr. and Mrs. Bobbie Reese and baby son, Randy, visited Mrs. Reeses relatives at Lockhart the past week end.

### Mrs. Coward Hostess To Hoyte H. D. Club

Mrs. Virgil Coward of the Hoyte community was hostess to the Hoyte Home Demonstration Club at her new home Tuesday afternoon, April 3.

The program was on "Stretching the Family Dollar." Mrs. A. W. Rettig gave a very interesting demonstration and made all present more conscious of buying larger quantities and saving money.

The Bethlehem Club had three members present and the Club was very pleased to have Mrs. R. O. Curry, THDA Chairman, Mrs. Dodson and Mrs. Jenkins present.

The recreation included a hat show, modeled by the members, each hat being modeled by the designer and were trimmed with vegetables and made of various utensils. A prize was given to the best model, Mrs. M. A. Hearne.

The hostess served a dainty plate consisting of sandwiches, potato chips, cake and punch.

The next meeting will be held April 16 at the home of Mrs. Richard Hollas with Mrs. Anton Hanel as hostess. A demonstration "Pickling and Brining" has been planned. The club will meet April 16 due to the fact Mrs. Alford will be attending the District Meet in Burnett on the regular day.

## Former Yoe Student Plans To Major In Agriculture At College

Ann Brock, daughter of Mr. and Mrs. Jesse Brock, can claim an unusual distinction. She is one of the first two girls ever to major in Agriculture at Southwest Texas State Teachers College at San Marcos.

Miss Brock is a freshman student and said she became interested in agriculture in high school where she took a course in ag and liked it better than any other subject.

She also said that she was influenced greatly by her brother, James who always attended all of the rodeos and she tagged along with him and enjoyed all of the activities that took place, especially those where livestock was a part of the show.

As proof of her serious intentions, during high school Ann raised several calves to enter in local shows and in 1949 her calf won the grand championship at the Milam County fair. Her 1950 entry walked off with reserve champion honors.

When she decided to go off to college her parents were more than horrified when she told them she would like to major in agriculture, but since has become so interested in the subject her parents are fairly reconciled to the fact that she firmly intends to make it a career.

After graduation Ann plans to run her own herd and already owns a registered heifer.

Professor T. R. Buie, head of the Agriculture Department at the College, has high praise for Ann's work. She's every bit as enthusiastic as the boys concerning class work and has completed all necessary work thus far in fine style, he added.

## New Law Provides Retirement Benefits

It is not necessary to be wholly or permanently "retired" to get retirement payments under the old-age and survivors insurance system, according to James B. Marley, manager of the Austin social security office. The number of persons coming into his office confused on this point prompted him to make this explanation.

Actually, the new social security law makes possible for insured persons 65 and over to collect retirement benefits while still earning up to \$50 per month on covered jobs. The old limit of \$14.99 was changed on last September 1. The \$50 limit doesn't apply to persons age 75 or over.

The law is simply that a person between 65 and 75 years of age cannot collect benefits for any month in which he earns more than \$50 from work covered by social security. No amount of earnings or income from other sources will affect his right to benefits. Insured persons age 75 or over can collect even though working full time on jobs covered by social security, or for that matter, on any job.

Another point we'd like to get across is that anyone now age 65 or over very likely is insured if he has worked as much as a year and a half, at any time back to January 1937, on social security—in covered jobs.

Residents of this area who are eligible for benefits under the new law are invited to get in touch with the Austin office, located in the Brown Building, in Austin.

## Soil Conservation Methods In Use

To see what the Agricultural Conservation Program has done in Milam County, compare farms of cooperators today with these same farms ten years ago, says Mr. Paul C. Graves, chairman of the Milam County PMA committee.

He points out that the Winter Legume Program alone has made a tremendous change in farming in Milam County. Ten years ago, the practice of planting winter legumes was carried out by only a few farms in Milam county compared to last year when 1,080 farms used a cover crop.

Other practices which have done much to check erosion, improve the soil and build a more stable agriculture in Milam County include terraces built under the Agriculture Conservation Program, in Milam County, totaling over half million feet in 1950.

More than 4,000,000 pounds of superphosphate were issued to farmers for Legumes and Pasture improvement. Over 2,200 acres of grasses and legumes for pasture improvement were seeded by farmers in 1950 with PMA assistance. Indications now are that these figures will be exceeded under the 1951 Agriculture Conservation Program. These are only a few of the practices carried out in Milam county under the Agricultural Conservation Program.

To be eligible for assistance under the Agricultural Conservation Program, the chairman explains, practices must be carried out according to ACP specifications. This is to insure full value in terms of results for public funds used.

Mr. Graves said that the effectiveness of this Program in obtaining needed conservation is well demonstrated in the work that has been done in Milam County.

He points out that ACP along with a number of other activities of the Production and Marketing Administration of the Department of Agriculture is administered locally by the elected farmer committees.

Farmer members of the Milam county committee in addition to himself are Herbert L. Colburn and H. H. Hartsfield. There is also an elected farmer committee in each community in the county.

## Thomas Giles Harrison Enlists In Navy; In California For Training

Thomas G. Harrison of Cameron has enlisted in the U. S. Navy and is stationed at San Diego, California.

Mr. Harrison volunteered and left for San Diego Monday, March 26.

He is the son of Mrs. Alma Houston of Cameron. Mrs. Houston received word this week that he was fine and was enjoying the Navy.

Mr. Harrison is a 1949 graduate of Yoe High School and was employed at the Cameron Herald before entering the Service.

## Miss Frances Sowell To Be Director

A Day Camp Training School for Scout Leaders and Mothers will be held Tuesday and Wednesday, April 10 and 11 at the Girl Scout Hut.

The purpose of the training school is to prepare the scout leaders for the four day camp that will be held sometime in June.

Mrs. Lester Williams will be in charge of the day camp and Mrs. David Shapiro, president of the Cameron Girl Scout organization said that an invitation is extended to all girls to attend the camp.

Leaders and mothers and other interested persons are being urged to

make special effort to be present at the training school. The school classes will be held from 9:30 to 11:30 each morning with a repeat class from 1:30 to 3:30 in the afternoon, in order that leaders who can not attend the morning classes will have an opportunity to attend the afternoon sessions.

Miss Frances Sowell, Field Director of Austin will direct the class. She is well known over the entire state and southwest for her ability and interest in scout work.

The local organization has a strong program outlined for the year and much activity has been built around the local troops in recent months.

## Local Merchants Are Invited To Attend Clinic At Waco April 12

On Thursday, April 12 at 7:30 P. M. a group of price specialists from the Office of Price Stabilization Regional Office, Dallas, will conduct a clinic on ceiling price regulations 4, 15, and 16 relative to retail and wholesale grocers in the Waco Chamber of Commerce Auditorium, it was disclosed by L. G. Smith, manager at the local chamber.

This clinic is being sponsored by the Waco Chamber of Commerce, the Retail Merchants Association and the Waco Retail Grocers Association.

These organizations are inviting all the merchants and businessmen of Cameron that have to comply with these regulations to attend the meeting so that they may better understand the regulation and thereby make a proper filing of the regulations.

Merchants who have a copy of these regulations bring them along so that they may be able to follow those who are conducting the clinic.

## A Total Of 53 Votes Cast Here Saturday

A total of 53 votes were cast in the trustee election at the City Hall Saturday, April 7.

Charlie Allday and Ralph Michalka, veteran members of the Cameron School Board were both re-elected, each receiving 51 votes. This was the average number of votes cast in a trustee election considering no opposition in the election.

Both Mr. Allday and Mr. Michalka have been faithful in their service to the Cameron School System and are highly interested in the progress and welfare of school activities.

Other members of the board are Mrs. C. B. Janness, Frank Reid, Leo Fuchs, Frank Reid and Dr. G. G. Swift, president.

The erection of new bleachers at the Athletic Field was one of the improvements last year and this needed facility has greatly aided in taking care of the congested crowds at the football games.

If the schools continue to be over crowded, additional rooms or larger facilities will have to be added to accommodate the increasing number of pupils from the rural areas that come into the Cameron Schools.

Goodwill is as fragile as an orchid, but as beautiful; as precious as a gold nugget, but as hard to find; as powerful as a giant turbine, but as difficult to build; as wonderful as youth, and as hard to keep.

## Financial Report For March Good

The monthly financial report of the Cameron Water Department shows a net profit of \$2,691.82, according to L. W. Smith superintendent.

The gross income for the month of March totaled \$4,202.65 with the following expense incurred, salaries, \$805.00; swimming pool, \$13.73; office, \$60.90; Auto, \$67.83; maintenance and repair, \$90.04; plant operation, \$46.71 and allowances, \$9.62 totaling \$1,510.83.

The net revenue of the department since the city took over operation last July has amounted to \$22,994.44 which has been taken in during the nine month period.

With the publication of these monthly reports, tax payers may see what progress the water department is making and the income the city is realizing from the investment. The city could have had this source of income several years prior to the purchase of the department, if our civic minded leaders would have become alerted to this fact when the Planning Board was set up in 1945.

The city badly needs a municipal building that will facilitate the necessary operations of the city government, the water department, and could also include the fire department. There has been considerable interest among the firemen, concerning the erection of such a municipal building that would house such vital assets of the city and at the same time would be another achievement toward the progress and development of the city.

Friends and relatives who had lunch with Mrs. Pauline Chevalier on her birthday Sunday wish her many more happy Birthdays. Everyone enjoyed being with her on her birthday. Houston Chevalier, her son, was also present for the occasion. He is of Galveston, Texas.

Charlotte Pembroke has returned to her home after being quite ill in Newton Memorial Hospital. Her many friends will be glad to know she is improving.

## Students Urged Not To Seek Aptitude Test Forms; Draft Boards Do Not Have Them

College students were urged today not to seek application forms for Selective Service aptitude tests from local draft boards, as the "local boards don't have them yet."

Brigadier General Paul L. Wakefield state director of Selective Service, said "scores of students in Austin have been asking the Travis County boards for these printed forms today, and I imagine the same thing is taking place in other college and university towns in the state."

General Wakefield said application on part of the students probably was caused by a news association story from Washington printed in Tuesday morning newspapers. He quoted from the story as follows:

"College students were advised to get in touch with their local boards immediately and obtain Selective Service forms 106 and 107. These actually are one-cent postcards attached to each other."

The state director said that "not only have the local boards not received these forms, state headquarters has not received them. State headquarters will have to distribute them to the local boards after they are received in Austin."

The Austin headquarters has been advised officially by national headquarters that the forms are being printed "in sufficient quantity for immediate general distribution," but has been given no date of expected arrival.

"For the convenience of registrants and local boards, we will make a public announcement when the forms are available at local boards," General Wakefield said.

Mrs. Lucy Clifton visited at the Herald Office Monday and re-newed her subscription to the Herald and also re-newed her daughter's paper. Her daughter is Mrs. C. L. Mullinax who lives in Houston.

## Orangegg A Day Helps Keep Doctor Away

An Orangegg is such a nutritious idea that it's a good suggestion for any member of the family, any hour of the day, containing as it does eight ounces of Florida orange juice, full of Vitamin C and low in calories, and one egg, an excellent source of protein food values, and economical now. Beat one egg well; add eight ounces of chilled orange juice (use the juicy fresh Florida oranges, now coming into markets, or frozen or canned orange juice) and beat well again. It's an ingenious way to insure getting an egg a day, and with eggs plentiful, it's an inexpensive meal-in-a-glass.

## OPS Regulation Copies Available At Chamber of Commerce

The Chamber of Commerce has received copies of recent regulations issued by the Office of Price Stabilization governing the ceiling price on certain wholesale and retail commodities.

New regulations received are as follows: Amendment 2 of Regulation 7 covering musical instruments, radios, television sets, phonographs, records, housewares, notions, luggage, sporting goods; and silverware, chinaware, glassware, jewelry, clocks and watches.

Regulation 11 covering ceiling prices on Restaurants, Eating and Drinking Establishments.

Regulation 13 covering ceiling prices on Petroleum Products. Regulation 16 covering the ceiling prices on certain foods, retail. Regulation 14 covering the ceiling prices on certain foods, wholesale.

Copies of these regulations may be secured by coming by the Chamber of Commerce office. Merchants in Cameron and towns surrounding Cameron in Milam County may receive them and they must be filled out and returned to the Office of Price Stabilization by April 30.

Go To Church Sunday.

## Farm And Household Employees Must Make Reports By April 30

George J. Schoeneman, Commissioner of Internal Revenue, reminded farm and household employers that they must report wages and pay Federal social security taxes on those farm and household employees who were brought into the old-age and survivors insurance system on January 1, 1951. Whether or not a farm or household employee's wages are subject to the taxes depends on the number of days worked for the employer and the amount of cash earnings. The Federal social security tax and information return for the quarterly period of January-February-March is due on or before April 30, 1951, together with payment of the taxes.

A farm employer should make a return on Form 941 reporting the cash wages paid to each employee who meets all three of the following tests:

(a) He was employed by the employer (whether or not doing farm work) continuously throughout the quarterly period of October, November, December, 1950; and

(b) He was employed by such employer in agricultural labor on a full-time basis for at least 60 days in the quarterly period of January, February, March, 1951; and

(c) His cash earnings for such agricultural labor are \$50 or more.

This three-part test of liability applies not only to agricultural workers but also to household employees in a private home on a farm which is operated for profit.

A different test, sometimes called the "\$50-24-day test," should be used in determining whether or not the taxes apply to cash wages paid by an employer for household work in a private home which is not on a farm operated for profit. The employer should make a return reporting the cash wages for household work per-

formed after 1950 paid to each employee (a) who received from such employer, during the quarterly period of January, February, March, 1951, \$50 or more in cash wages for household work and (b) who performed household work for such employer on 24 or more different days in that quarter or on 24 or more different days in the quarter of October, November, December, 1950. If the employer also pays wages to business employees whom he reports on Form 941, he may include the household employees on the same form. Otherwise, the employer should report the household employees on a return Form 942.

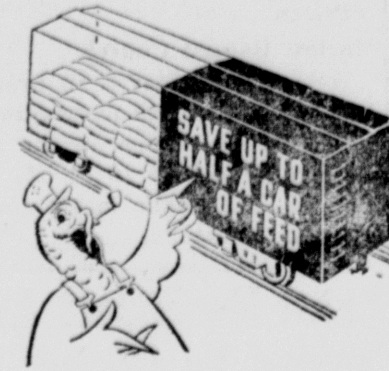

Every farm employer or household

employer who is required to file a return on or before April 30, 1951, but who does not have a blank return form to use for this purpose, should promptly request a form from the Collector of Internal Revenue for his district.

If travel broadens one, then some of the femmes we've seen lately must have been around the world.

He who watches the clock usually remains as one of the hands.

## Here's where You come into your own

Once in a while, any man is entitled to let himself go.

He's entitled to that glow of pride that comes from feeling like the very important person that he really is.

He's entitled to take practical steps to make his dreams come true.

In short, he's entitled to own a ROADMASTER, and particularly a ROADMASTER as it is custom built for '51.

For this great automobile is more than big and roomy and distinguished in its styling.

It's more than sweetly willing in performance, and superbly poised in stride.

It does things to you, when you let yourself sink deep down in the subtle softness of its cushions, and run a caressing hand over the fine texture of its fabrics.

This is everything a fine car should be!

Of course, this brilliant performer is Fireball powered. It is cushioned by coil springs on every wheel. It provides, at no extra cost, the complete relaxation of Dynaflo Drive. It has durable and dependable sturdiness engineered into every mechanical part.

But the best is yet to be told. When you check the ROADMASTER price list, you'll find that the car of your choice can be yours for hundreds of dollars less than you'll pay for others with comparable reputation.

Come in soon and see this buy of buys in the fine-car field.

## Permanent Street Fund Increasing

Parking meter revenue for the week ending Thursday, April 5, totaled \$257.82 according to Bill Richter, assistant officer in charge of collection.

This report is the largest amount collected within several weeks, with the past two weeks reports, totaling \$233.04 and \$239.04 respectively.

With the good weekly returns consistently coming in, the permanent street fund is steadily increasing and with two new members of the city council taking their oath of trust soon as members of the official family, much can be done to improve the dark meandering lanes in the city that has a light poles situated at distant intervals.

The parking meter revenue is fast becoming a major source of income for the city, which was one of the progressive movements taken by the city official in the past year.

If cooperation can be had by members of the board of aldermen and the Mayor, much can be accomplished toward progressive achievements in the future.

## Activity Strong At Local Guard

By LLOYD ALBERTSON

Nine more promotions of enlisted men of Battery C, 649th Anti-Aircraft Artillery Battalion, were announced during the unit's week-end drill period, April 1st, and almost all of them were in the higher grades.

Getting the additional stripes, Capt. Rudolph Michalka, Battery Commander, reported were Pfc William W. Holloway and Peter F. Kunz, promoted to Master Sergeant; Sgt. Denson Crouch and George R. Hollas, promoted to Sergeant First Class; Cpl. Charles A. Brady, James D. Leath, Adolph L. Marak and Emil Vansa promoted to Sergeant; and Pvt. Ernest V. Batte promoted to Private First Class.

This is the second group of promotions made within less than two months, Capt. Michalka pointed out, and indicates how many chances for quick advancement there are in the organization.

One enlistment, that of William H. Simmons, also was made in the Battery last week. Also Pvt. Willie Ray Boecker was transferred from a National Guard unit in Austin and now is a member of Battery C here.

## Cameron Prairie View College Students Make Honor Roll Recently

The Prairie View College Honor roll has been released and 150 students have made an average of 2 points and up.

Three students with a perfect average of 3 points and two of these were from Cameron, namely Gus Poole, Sr., and Aaron Currington. Druella Moore of Port Arthur was the other student to average 3 points.

Both Poole and Currington graduated from the O. J. Thomas High School, C. L. Sadberry, principal said. This was the second time all three of these students had made the perfect honor roll.

Other students from Cameron to make the honor roll were Ruth Cavin Harmon, Samuel Brown and George Johnson.

## Tasty Tuna Patties

The cook who can come up with a tasty tuna patty of melting tenderness should be revered in song along with the lass who could bake a cherry pie. For tuna patties, combining the delicate goodness of tuna flakes with seasonings and crumbs, are truly a gustatory delight.

This tuna patty, with velvety textured mayonnaise baked in should make the hardest-to-please man sigh with contentment.

### Broiled Tuna Patties

4 hard cooked eggs	1/4 teaspoon black pepper
1 6 1/2-ounce can tuna, flaked	1 cup mayonnaise
1 1/2 cups fine dry bread crumbs	Lemon slices
1 tablespoon finely cut parsley	Paprika
	1/4 teaspoon salt

Finely dice the eggs and combine with the tuna, 1 cup of the bread crumbs, the parsley, salt, pepper and mayonnaise. Mold into 5 or 6 patties, and cover them on both sides with the remaining crumbs. Broil under low heat until golden brown and heated through. Garnish with lemon slices sprinkled with paprika.

Watch the little lady park the beautiful, big car . . . a single finger on the steering wheel can do it now, with Hydraguide!

## Now Hydraguide Steering does four-fifths of the work for you!

THINK of the easiest steering car you ever drove . . . then imagine one five times easier to steer! Chrysler's new Hydraguide power steering . . . regular on Crown Imperials and optional at extra cost on all New Yorker and Imperial models . . . gives you exactly that. Here is by far the greatest single change in handling ease—and safety—you ever found in any car. At your touch on the steering wheel, the car mechanically provides four-fifths of the energy to turn the tires on the road. Like so much in these new Chryslers . . . Hydraguide is so basically new, so basically better than anything before, that only when you try it can you ever know what it really does!

The longest day's drive you ever made . . . without arm-and-shoulder fatigue at the end. Around the curves . . . over the hills . . . Hydraguide does four-fifths of the work!

In tight city traffic . . . on awkward driveways and roads . . . Hydraguide means new safety, new ease, new swiftness of steering control!

### The Most Basically New Cars of All!

Beneath the rich new beauty of these Chryslers for 1951 are 73 different improvements and advances. Among them are the most basic new ideas in any cars for many years! Like the revolutionary new FirePower engine, of 180 horsepower, which gives owners of Chrysler Imperial and New Yorker cars the most powerful, most efficient, most all-around economical powerplant in any car today! And like the amazing new Chrysler Oriflow shock absorbers, which give every new Chrysler car riding ease with twice the shock-absorbing power of any other cars at any price. And with all their newness, they're built to stand by you like no car you can buy!

## Aldermen Sworn In Wednesday

At a called meeting of the City Council Wednesday morning by Mayor A. N. Green, the newly elected aldermen took their oath of office as members of the board.

Aldermen taking oath were O. B. Hardin and Robert Weems, newcomers to the City Council and Johnny Andres, veteran member of the board.

Bob Terry who has been on the city council for a number of years and has served in that capacity as street commissioner and as chairman of a number of important committees during his service on the council, is one of the outgoing aldermen.

Milton Schiller, also an outgoing alderman has served two years as a member of the council and has promoted and backed all the progressive movements the city has undertaken during the past two years. He has firmly advocated all of the recent achievements the city has made and came within only a few votes of being re-elected. Both Mr. Schiller and Mr. Terry are to be commended for devoting their time and efforts in serving in this responsible position as a member of their city government.

It is hoped that the new members of the council will step right into place and continue to promote the progress the city has made in recent months.

The aldermen were officially scheduled to take office at the next regular meeting of the council on Tuesday, April 17 but due to reasons unknown, the mayor called a special session.

The Mayor appointed the following committees: Ordinance, L. Van Perkins, O. B. Hardin and August Kunz; streets, lights and sewage, Robert Weems, Johnny Andres and O. B. Hardin; water, O. B. Hardin, Johnny Andres and Robert Weems; Police, L. Van Perkins, August Kunz and Robert Weems; Taxation, O. B. Hardin, Johnny Andres and Robert Weems; Airport, August Kunz, L. Van Perkins and Robert Weems; Finance, O. B. Hardin, Johnny Andres, and Robert Weems; Cemetery, August Kunz, L. Van Perkins and O. B. Hardin; Printing, O. B. Hardin, Johnny Andres and August Kunz; and Mayor Pro-Tem, Johnny Andres.

### 6,807 Men—

(continued from page one)

ry Marshall Pruett, D. L. Lewis, Charles Douglas Knight, Buddy Bud Nelson, Rubin Knight.

Texas draft boards have been called upon by state Selective Service headquarters to order 6,807 men for physical examinations during the month of May.

State headquarters originally had intended to examine around 10,000 men in May, but cut the figure down after April induction call was reduced from 4,150 to 2,075, Brigadier General Paul L. Wakefield, state Selective Service director, said.

General Wakefield said that local board quotas for the May physical examinations and May inductions are now in the hands of local boards. The May induction quota for the state is 3,112.

May physical examination quota for the state will bring the number of those called for that purpose since beginning of the Korean fight to 88,117.

Induction quota for May will bring the number of those called for that purpose to 31,211 since the beginning of the struggle in Korea.

Pre-induction examinations and induction are carried out by Fourth Army joint examining & induction stations at Abilene, Amarillo, Corpus Christi, Dallas, El Paso, Houston, San Antonio, Shreveport and Texarkana.

## Yoemen Beat Panthers In Decisive Victory Here Tuesday Afternoon

The Yoemen won their first district baseball game Tuesday afternoon on the Lawless Green Field, defeating the Rosebud Panthers by a decisive score of 24-2, Coach Dick Young, disclosed.

The Yoemen batted their way to victory in all six innings of the game as the game lasted only a few innings.

On the mound for the Yoemen was Richard Wilkinson, big left-hander who seemed to be a sensation for high school baseball and never found himself in a tight spot during the entire game.

The Panthers used three pitchers and the Yoemen hit freely during the entire game with an average of 4 points an inning. The Rosebud team has not had the drills and workouts that the Yoemen have had. The Yoemen have played two games with Temple prior to the game with the Rosebud team, winning one and losing one.

The Yoemen have a jam up infield, according to Coach Young, composed of Glenn Rosenberg at third, Bobby Biskup at second, Ray Thompson at first and Ruben Tamez at Short stop. Joe Johns is at the position of catcher.

The outfielder is still unsettled and is wide open for boys who want to get on the team and hustle for a perma-

nent position on the team as a good outfielder is vital to any good ball club.

The Yoemen will go to Georgetown Friday to play the Eagles in their second district game.

## Francis Cox To Attend Band Festival At Huntsville

Francis Cox, director of the Yoe High School Band will attend the Region V Band Contest Festival in Huntsville Friday and Saturday, April 13-14.

Director Cox will act as judge in the contest and will handle instrumental solos and ensembles. He will participate in this particular part of the contest on Saturday.

Mr. Cox is well known over the entire state for his musical ability as a director as well as an outstanding musician. He has directed the Yoe High School Band for the past twenty years and is considered one of the best directors in the state.

### WORKERS BUSY—

(Continued from page one)

derway last week is progressing according to reports but no official count has been turned in to the local chapter.

The special gift portion of the drive under the direction of Albert Collins is making considerable progress and with the extension of the drive workers will have more time to contact contributors during the drive.

## Revival Continues

A revival is still in progress at the Cameron Gospel Tabernacle and an invitation is extended to everyone who will, to attend.

Alan H. Banks, Evangelist of Albany, Oregon is conducting the revival.

Rev. H. M. Bowley, pastor of the church says the revival will continue through this week and possibly next week and he hopes there will be a good attendance during the revival.
